Ihave operational controlof this management unit. This nutrient budget was developed and documented before any nutrient was applied for the crop shown above, and is based on the soil test or Agricultural Expert opinion identified in Section 2. Manure will not be applied above the rate budgeted in Section 3. I will keep this form and its supporting records (soil test, manure test, receipts) for 5 years and make them available to a third-party verifier. (7 CFR 2100.031, 2100.063)
